

What are some companies in the Philippines that manufacture explosion-proof electrical distribution boxes

Article Overview

Several manufacturers and suppliers provide explosion-proof electrical distribution boxes in the Philippines, including Zenith Electrical & Industrial Supply, MAM, Supermec, and Warom.

Local Suppliers

- Zenith Electrical & Industrial Supply Corporation offers a range of explosion-proof GR boxes and distribution boxes in Manila, including Appleton connectors, switches, pilot and control stations, and other explosion-proof fittings suitable for hazardous environments .

International Manufacturers with Philippine Presence

- MAM specializes in advanced explosion-proof electrical equipment, including Ex control panels, Ex junction boxes, Ex lighting systems, and distribution systems. Their products are certified under ATEX and IECEx standards and are suitable for oil & gas, petrochemical, marine, and mining industries .
- Supermec provides ATEX-approved explosion-proof enclosures and junction boxes designed for chemical, petrochemical, offshore, and refinery applications. Their EJB and CSD series enclosures are engineered for power distribution and monitoring in hazardous atmospheres
