

What are some manufacturers of electrical distribution boxes and cabinets in Samoa

Article Overview

In Samoa, electrical distribution boxes and cabinets are available through local distributors and international manufacturers with regional representation.

Local and Regional Suppliers

- Vill-Impex Ltd. - A Samoan trading company acting as the exclusive local agency for European manufacturers like GEWISS for over 12 years, providing electrical enclosures and distribution boxes suitable for residential and commercial use .
- JV Electric - A family-owned company established in 1997, manufacturing plastic products and electrical components, including enclosures, with local availability in Samoa .
- CENCO - A French company specializing in custom-built wired enclosures and electrical equipment, which can be sourced in Samoa through import channels .

International Manufacturers with Relevant Products

- Hammond Manufacturing - Offers industrial and commercial electrical enclosures, including power distribution cabinets suitable for harsh environments .
- Schneider Electric - Provides a wide range of electrical enclosures for industrial, commercial, and residential applications, with options for temperature control and connectivity
