

Where are the manufacturers of fire protection electrical distribution boxes in the UK

Article Overview

Key UK manufacturers include Spelsberg, ABB, CE-TEK, Atex Delvalle, and T&D, offering fire-rated and hazardous area electrical distribution boxes.

Leading Manufacturers

Spelsberg produces high-quality cable junction boxes and surface-mounted distribution boards with fire resistance ranging from 30 to 90 minutes (E30-E90). Their products are tested according to DIN 4102 Part 12 and certified by VDE, ensuring compliance with statutory fire protection and electrical safety standards . ABB offers a wide range of fire protection enclosures, including wall-mounted and floor-standing distribution boards. Their enclosures meet DIN 4102 Part 2 and Part 11/12 standards (F30/F90, I30/I90, E30/E90) and are designed for preventative fire protection in both commercial and industrial installations . CE-TEK specializes in rugged electrical junction boxes for hazardous areas, including oil, gas, petrochemical, and pharmaceutical industries. Their enclosures are manufactured in Derbyshire to European standards and are available in various materials and sizes, suitable for flammable liquids, gases, and dust environments . Atex Delvalle manufactures custom local control stations and distribution boxes, including stainless steel AISI 304L/316L enclosures. Their products are ATEX and IECEx certified for hazardous areas, with options for explosion-protected control units and terminal boxes designed for extreme outdoor conditions . T&D (Heating and Process) supply...
