

Where can I find fiber optic fusion splicer equipment

Article Overview

Fiber optic fusion splicers can be purchased from major online retailers, specialized distributors, and professional fiber optic tool suppliers, offering both new and refurbished models.

Online Retailers

- Amazon offers a wide range of fusion splicers, including models like Signal Fire AI-9, AI-6A, and FX39, with options for core alignment, multi-mode, and FTTH applications. Many kits include cleavers, batteries, and accessories for field use, with fast shipping and customer reviews to guide selection .
- BestProductsReviews lists top-rated splicers such as DFBRUZZ KF4A, Signal Fire Ai-30, and Komshine FX39, providing ratings, specifications, and price comparisons for informed purchasing .

Specialized Distributors

- Fiber Instrument Sales stocks all major brands and provides expert guidance on fusion splicers, including core and cladding alignment models suitable for telecom, data centers, and FTTH installations .
- Optic Fiber Tool offers a variety of splicers, including ribbon fusion splicers, core alignment, and PAS alignment models, with detailed product descriptions and pricing for professional use .
- Discount Low Voltage provides high-quality splicers with options for mini, core ali...
