

Which company makes the best electrical distribution boxes for construction sites in Cambodia

Article Overview

Top companies for complete electrical distribution boxes in Cambodia include ATS, Dhinimex, Legrand, and EKG Cambodia, each offering high-quality, reliable, and compliant solutions.

ATS Cambodia

ATS is a leading electrical and automation solutions provider in Cambodia, established in 2003 and recognized as the country's first electrical panel builder . They operate the largest integrated manufacturing facility for electrical panels in Cambodia, supplying, designing, and manufacturing customized distribution boxes for residential, commercial, and industrial projects . ATS represents major global brands such as LSIS, Socomec, Philips Lighting, Schneider Electric, and Indelec, ensuring high-quality components and compliance with international standards . Their solutions are tailored to client-specific needs, including automation and energy management systems.

Dhinimex Co., Ltd

Dhinimex has over 21 years of experience delivering electrical equipment and infrastructure solutions across Cambodia . They design and manufacture high-quality electrical distribution equipment, including control panels, transformers, and substa...
