

Which company offers the best indoor fiber optic cable in Tonga

Article Overview

Tonga Cable Limited (TCL) is the primary provider of fiber optic services in Tonga, including indoor installations.

Tonga Cable Limited (TCL) is a government-owned enterprise that manages the Tonga Cable System, a submarine fiber-optic network connecting Tonga to Fiji and international networks . TCL is currently the only provider of fiber-optic services in Tonga, offering reliable high-speed internet and indoor fiber optic solutions for homes and businesses . The company has maintained 99.99% availability on its network and continues to expand connectivity to outer islands such as Ha'apai and Vava'u .

Why Choose TCL for Indoor Fiber Optic Cable

- **Local Expertise:** TCL has extensive experience in deploying and maintaining fiber optic networks in Tonga, ensuring proper installation and support for indoor cabling .
- **Reliable Infrastructure:** The Tonga Cable System has significantly improved internet capacity, reduced latency, and lowered costs compared to satellite connections .
- **Government Backing:** Being 80% government-owned, TCL benefits from public funding and international grants, which supports network expansion and maintenance .
- **Future Expansion:** TCL is actively exploring options to extend fiber connectivity to additional islands, which may include indoor fiber solutions for new residential and commercial developments
