

Which company provides fiberglass cable trays in Egypt

Article Overview

Rovana Trade and PI Manufacturing Solutions are among the Egyptian companies that can supply fiberglass or customized cable trays.

Key Companies

Rovana Trade is a leading manufacturer of cable trays and ladders in Egypt, offering a wide range of cable management solutions including galvanized and potentially non-metallic options. They provide complete supply and installation services across Egypt, and their factory is equipped to deliver customized and durable cable support systems suitable for industrial and electrical infrastructure projects (Rovana Trade) . PI Manufacturing Solutions, established in 2023, specializes in engineering and manufacturing various cable management systems, including cable trays, trunks, and ladders. They offer custom designs and finishes that can accommodate harsh environmental conditions such as dust, water, and corrosion, which makes them suitable for fiberglass or FRP cable tray applications (PI Manufacturing Solutions) . Other notable companies in Egypt that manufacture cable trays include Metaltech, Rovana Trade, and Sigma Tech, which provide a variety of cable tray types such as ladder trays, perforated trays, and solid bottom trays. While these companies primarily focus on metal trays, they often offer custom solutions that may include fiberglass or composite materials depending on project requirements (Metaltech, Sigma Tech) .
