

Which company should I choose for low-pressure complete sets of equipment in Zimbabwe

Article Overview

Turning Point Investments, Changamire Solutions, and Air Compressor & Allied Products are leading suppliers for low-pressure equipment in Zimbabwe, offering comprehensive product ranges, technical support, and nationwide service.

Turning Point Investments

Turning Point Investments specializes in industrial automation, process control valves, and instrumentation, distributing globally recognized brands such as Festo, YTC Positioners, and AUTOMA Valves in Zimbabwe. They provide complete low-pressure systems, including pneumatic components, control valves, and measurement instruments. The company emphasizes installation, calibration, and after-sales support, making it suitable for industrial, mining, and pharmaceutical applications .

Changamire Solutions

Changamire Air Solutions focuses on air compressors and pneumatic systems, offering maintenance, repair, and complete equipment sets. They supply high-quality components such as filters, oil filtration systems, precision valves, gaskets, and seals, ensuring durability and efficiency. Their services cover nationwide delivery, and they provide consultancy to tailor solutions for specific operational needs
